Contact Email: kturner@palomaesd.org

School Site: Kiser Elementary School

Buildings: 1003 New Classrooms

Description of Problem

Please include a detailed description of the issues, as well as a description of and a copy of any professional studies, citations or reports from government entities, recommended solutions, and any cost information or estimates. If additional space is needed, please attach.

We have been having trouble with a toilet backing-up. We had the septic system cleaned and had the pipes snaked. Additionally, we replaced the wax ring below the toilet. However, the plumbing has been leaking sewage. We have shut down the toilet, but after snaking it again, we believe we have discovered roots growing in the pipe.

Project Category: Plumbing

Are any of the above-described issues in buildings or part of buildings that are leased to another entity, including a district sponsored charter school? N

Available Funding

Current unencumbered building renewal fund balance (Fund 690):	\$0.00
